NRCS NM collects invoices and producer records on 100% of payments. Reasons behind this effort include: 1) preparing for next years payment ledger revisions 2) ensuring that producer payments do not exceed legal limits 3) ensuring that purchased materials meet standards and specifications.

Data is collected in 5 categories: Materials, Labor, Equipment, Travel/Mobilization, and other costs.

Producer's Name: Joe Smith Contract #: 748C30A000
