NEW MEXICO BULLETIN NO. 190-12-06

SUBJECT: ECS – EXPIRATION OF THE NEW MEXICO STATE SUPPLEMENT TO THE GENERAL MANUAL, TITLE 190, PART 410 - COMPLIANCE WITH NEPA

TO: All Employees

Purpose. To provide notice that the New Mexico state supplement to the General Manual, Title 190, Part 410 dated March 2000 is now expired.

Expiration Date. September 30, 2012

This state supplement was developed in 2000 to provide additional National Environmental Policy Act (NEPA) guidance to the General Manual. When the General Manual was revised in 2010, detailed NEPA guidance was included; making the state supplement unnecessary and inconsistent with current policy.
