ENVIRONMENTAL TECHNICAL NOTE NO. 4

SUBJECT: UPDATE TECHNICAL NOTE #4 - "INVENTORY OF RARE AND ENDANGERED PLANTS OF NEW MEXICO"

Purpose. To distribute a document from the New Mexico Forestry and Resources Conservation Division of the Energy, Minerals and Natural Resources Department.

Effective Date. Effective when received.

Explanation. Remove "Inventory of Rare and Endangered Plants of New Mexico" dated March, 1992 from Environmental Technical Note #4 and insert the attached replacement document dated June, 1994.

Also attached is a updated index sheet. Please remove the current index and insert the updated index in the Environment Technical Notes section of your Technical notes.
