NEW MEXICO BULLETIN 360-9-3

SUBJECT: PER – FY-2008 NATIONAL EARTH TEAM AWARD WINNER

To: All NRCS Employees

Purpose. To inform all employees

Expiration Date: September 30, 2009

Congratulations to April Weitlauf, Black Range RC&D Council, Silver City on receiving the National Earth Team Individual Volunteer Award for FY-2008.

April has been such an integral ingredient of the Black Range RC&D that most people identify her with the Agency. April has been instrumental in helping the Black Range RC&D Area Council work successively in meeting their objectives and goals including sound financial management, increasing board capacity, and effective office management. She has demonstrated that the Earth Team program is an important component of the Natural Resources Conservation Service's delivery system of providing assistance on the traditional natural resource concerns.

April will be recognized for her many contributions at the National Association of RC&D Conference to be held in Albuquerque in July 2009.

Congratulations April, and thank you for a job very well done!
