NEW MEXICO BULLETIN NO. 260-11-1

SUBJECT: INF - FY-2010 EARTH TEAM AWARD RECIPIENTS

Purpose. To inform all employees of the FY-2010 Earth Team Award Recipients.

Expiration Date. September 30, 2011.

I am pleased to announce the New Mexico FY-2010 Earth Team Awards recipients. Receiving recognition for their volunteer contributions:

Tonya Hodges, Principal, Tucumcari Elementary School, Tucumcari, NM –  
Earth Team Individual Volunteer  
Friends of Whitfield Wildlife Conservation Area, Los Lunas, NM –  
Earth Team Group Volunteer

The individuals involved as Earth Team volunteers have advanced NRCS conservation goals by expanding conservation education in their local schools and communities, providing information to the public by staffing a wildlife area, and aiding our staffs through their valued time and commitment.

I personally appreciate the efforts of these awardees and all of our Earth Team volunteers, for I believe the Earth Team program is a vital part of NRCS. It is through the dedication of these individuals, along with all of our individual and group volunteers that have achieved so much this year.

It is exciting to see this level of commitment to the Earth Team program, and we congratulate our Earth Team 2010 award recipients.
