NEW MEXICO BULLETIN NO. 310-11-01

SUBJECT: LNU – FARMLAND PROTECTION POLICY ACT (FPPA) ANNUAL
PROGRESS REPORT

TO: District Conservationists

DUE DATE: NOVEMBER 26, 2010

Purpose. To provide guidance in submitting "FPPA" yearly reports.

Expiration Date. December 31, 2010

Contents of the report are to address the effects of Federal programs, authorities, and administration activities with respect to the protection of farmland and the results of reviews of existing policies and procedures by Federal agencies to determine if provisions of the programs prevent the Federal Government from taking appropriate actions to comply fully with FPPA. Section 403.15, Part 310, of the General Manual advises the State Conservationist to make a fiscal year report to the Chief of NRCS in November of each year with regard to outlined items, including negative reports.

The Annual report should include the number of NRCS assisted activities that were subject to FPPA and related information as outlined in the General Manual and Conservations Programs Manual, Part 523:
