NEW MEXICO BULLETIN NO. 130-12-01

SUBJECT: AGN – 2012 COMBINED FEDERAL CAMPAIGN (CFC)

TO: All Employees

Purpose. To provide information on the 2012 Combined Federal Campaign.

Expiration Date. December 31, 2012

There are thousands of charitable causes that reach out to Federal employees every year. The Combined Federal Campaign (CFC) provides an orderly approach for employees to review and select the one or more charities that best reflect their interests and support. Though times are tough we need to remember that there are many who need help every day, some for extended periods of time.

The Central & Northern New Mexico CFC begins today, September 18, 2012 and continues through December 15, 2012. This year's theme is "*Give a little. HELP A LOT*". The CFC provides you with hundreds of local, regional, state, federal and international charitable organizations to whom you can help. You can pledge through payroll deduction or by check—whichever is more affordable to you. Please take the time to review the attached material and select your favorite charitable organizations.

Serving as this year's campaign coordinators are Theresa Bennett (505) 761-4402 and Elaine Padilla (505) 761-4413. Give one of them a call if you have any questions.

Please join me in supporting a charity that works on the issues that matters most to you. Together we can continue to make a difference.
