NEW MEXICO BULLETIN NO. 440-12-02

SUBJECT: PGM – 2011-2012 SCENARIO CROSSWALK

TO: All Offices

Purpose. Clarify intended use of the attached table, 2011 NM Scenarios and their Recommended 2012 Regionalized Equivalents

Expiration Date. September 30, 2012

This is the first year 2012, New Mexico has had regionalized payment schedules. Some of the scenarios names and descriptions can be confusing or ambiguous. Accordingly, unless a particular situation justifies an alternative, field offices are instructed to follow the attached recommendations. If a field office requires clarification of the intent of this or other cost list/scenario issues, please contact appropriate Area Office Staff or the State Office Staff for further guidance.

As regionalization/nationalization of scenarios continues, scenario usage may be further clarified by bulletin or elsewhere in state policy.

If you have questions, please contact Norman Vigil, Assistant State Conservationist for Programs, at (505) 761-4445 or Seth Fiedler, Resource Conservationist, at (505) 761-4416.
